

DIGITAL DOOR LOCK

*Trust* your home to Schlage.

# Schlage **S-8200 Series**

Enhance your home's security with hands-free convenience, powered by a **smarter** and more **advanced biometric authentication** solution.

Face & palm recognition

Card access

Two-way telecom

Easy to use Schlage Base app

Fingerprint access

60 or 70mm backset

Keypad access

Electronic & mechanical warranty

The Schlage S-8200 Series combines sleek design with smart technology, impressing neighbors and enhancing your home's security. Enjoy hands-free operation and advanced access features, with WiFi connectivity for seamless entry and peace of mind.

Its elegant, elongated profile with smooth, rounded corners makes it the ideal choice for modernizing outdated hardware. Paired with mortise locking, it's the perfect solution for a seamless, smart upgrade to your home.

Simplify your life with Schlage S-8200 Series and make keyless living a breeze!

## Features and benefits

### MAKING LIFE EASY

- Simple access including fingerprint, PIN, card, app or back-up key. More advanced access features, such as face and palm recognition, are available for S-8204 model.
- Easy to set up and program using the Schlage Base app, program access codes for temporary or recurring visitors
- Send virtual keys to guests, via text message from the Schlage Base app
- Convenience of passage or auto-locking modes for easy access

### FEEL SECURE WITH SCHLAGE

- Built-in alarm technology that is designed to detect any potential security breaches
- The video viewer includes a two-way intercom, allowing homeowners to communicate with visitors before granting lock access. This feature is exclusively available on model S-8204.
- Real-time alerts through the Schlage Base app to notify users on lock access activities.
- Audit trail and time stamping allows you to see who has used the lock and when
- Random PIN number function protects your entry code
- With remote access via the Schlage Base app, send access codes to guests or be alerted if your lock has been tampered with
- The low battery notification provides an early warning, ensuring timely battery replacement for the model S-8200 or battery recharging for the model S-8204
